Replacement bulbs, chrome indicator bulbs, replacement rear lights and fog lights, OBDII & CAN diaognist code readers, Diesel batteries, Haynes workshop repair manual to repair, maintain and service your PT Cruisertime. To lease the DRBIII® call 1-800-801-5420. A credit card deposit will be required. The DRBIII® will be shipped within 24 hours to your location by an overnight deliveryThe power of the engine is greatly depends on the amount of air that can be delivered through the intake. Changing the size of the intake plenum as well as the length of the intake runners can greatly influence the engine torque curve as well as overall performance. Just in general, anything GM or Dodge, with the right bolt circle, should bolt up. That's assuming there is enough clearance to suit the offsets, and nothing interferes on the back side.
