The third-generation Ford Taurus is an automobile that was manufactured by Ford from 1995 to 1999. The third generation of Ford Taurus was the first to be completely redesigned from the ground up, and used a rounded, oval-derived design that was very controversial at the time, considered to be the main reason for this model's downfall in the ...Everybody's situation is a bit different. In my case almost all my trips are 10 miles or less for a total of about 4k or so miles a year. That qualifies as extreme use believe it or not so I change oil every 3 months.
