This article possibly contains original research. Please improve it by verifying the claims made and adding inline citations. Statements consisting only of original research should be removed. America entered World War One on April 6th, 1917. Up to that date, America had tried to keep out of World War One – though she had traded with nations involved in the war – but unrestricted submarine warfare, introduced by the Germans on January 9th, 1917, was the primary issue that caused Woodrow Wilson to ask Congress to declare war on ...The war often known in Europe as the Seven Years War was known in North America as the French and Indian War. It involved several countries, with France and Britain on opposing sides, and North ...A common assumption to explain the cause of the American Civil War was that the North was no longer willing to tolerate slavery as being part of the fabric of US society and that the political power brokers in Washington were planning to abolish slavery throughout the Union.
