Each year, the licensee, resident manager, floating resident manager, and shift caregivers must complete at least 12 hours of department-approved training in an adult foster home setting. The Pathways to Success Live Webinar Series™ are monthly presentations geared specifically to the hospice community. Industry experts speak on on end-of-life care topics relevant to hospice administrators, physicians and clinicians. More than 4,500 ebooks and many book collections, including archive collections of critical historical material, as well as publisher and topical collections. Understanding best practices in perioperative care is critical for quality of care for our urologic patients. In the third part of this white paper series, we provide a summary of key elements to optimize postoperative care in adult urologic surgery.
