Life in my Shoes is an important campaign which connects young people with issues that they should know about. Ashley Walters, star of C4's BAFTA Award-winning 'Top Boy' Shoes in general suggest the situation you are in or a position in life. They can also indicate your character or chosen way of life through what type of shoe – a plain shoe, a fancy expensive shoe, an impractical and painful shoe. Our latest Freakonomics Radio episode is called "These Shoes Are Killing Me!"
