

Download Best Short Hikes In Redwood National & State Parks

In general, the further north you go, the better the redwoods. To really experience the redwoods I'd suggest visiting at least three parks: Jedediah Smith Redwoods State Park has the most scenic redwood forest. The Coastal Trail is the only multi-day backpacking route in Redwood National and State Parks. Between Del Norte Coast Redwoods and Prairie Creek the trail has a series of "primitive" or "environmental" campgrounds (i.e., no facilities, just some picnic tables and a pit toilet) spaced at 10-mile intervals. The US is home to 60 National Parks and plenty of hikes. But with the popularity of national parks--more than 331 million visits were tracked last year--you'll sometimes need to go off the ...DeMartin Section. Location: Del Norte Coast Redwoods State Park and Redwood National Park. All trees blocking the trail have been cleared. Trailhead: Marked north trailhead is off Hwy 101 at mile marker 15.6.
