

Download Best Vat Business Accounts Book

This well-established book was recommended by the BBC video "Accounting for the Terrified". It is a cash-book for you to write in all your business sales, bankings and payments for one year, thereby helping you to complete your UK VAT and annual tax returns. We work out the trending price by crunching the data on the product's sale price over the last 90 days. New refers to a brand-new, unused, unopened, undamaged item, while Used refers to an item that has been used previously. The book includes worked examples and guidance notes for people who may be new to VAT and book-keeping, but it is not a manual on VAT, tax or accounting. Note there is a non-VAT version available, called "The Best Small Business Accounts Book (Blue Version)".
