CCENT/CCNA ICND1 Official Exam Certification Guide, Second Edition, is a best of breed Cisco exam study guide that focuses specifically on the objectives for the CCENT and CCNA ICND1 exam. This fully updated edition presents complete reviews and a more challenging and realistic exam preparation experience. Hi, I passed the SWITCH exam today, not with any sense of selfish pride, but with sincere humility and gratitude for those who went before us and had the courage to post their experience in this forum (abiding by the NDA, of course). Cisco Press is part of a recommended learning path from Cisco Systems that combines instructor-led training with hands-on instruction, e-learning, & self-study. CCNA is a long topic to talk about and there are many tips that can help you save much time when sitting in the exam hall. From the comments here and information from other places, this article tries to summarize all the CCNA frequently asked questions to save you some time.
