Welcome to Corinne's Creative Kitchen. We work with flavour in our kitchen. Our products are completely natural using the best quality local ingredients with no additives or preservatives and produced in small batches. Can you help us improve the facilities? Please consider donating to Creek Creative CIC using our PayPal DONATE BUTTON on the 'About' page. We guarantee that any funds received will be spent carefully on improvements to our artists' facilities and to subsidise various exhibitions or promotional activities to support them.

REPURPOSED AND REUSED KITCHEN VALENCE TURNED INTO A NO SEW BATHROOM FARMHOUSE WINDOW TREATMENT!

I'm in the bathroom today showing you how I repurposed my kitchen valence and turned it into a farmhouse window treatment. Our Holiday always starts with Granola, homemade of course! We mix a little bit of everything into it. We tried it the first time last Christmas, it was the perfect Christmas gift to everyone in our family.
