Freedom in the World is Freedom House's flagship annual report, assessing the condition of political rights and civil liberties around the world. It is composed of numerical ratings and supporting descriptive texts for 195 countries and 14 territories. Freedom in theWorld is an institutional effort by Freedom House to monitor the progress and decline of political rights and civil liberties in 192 nations and 17 related and disputed territories. These year-end reviews of freedom began in 1955, when they were called the Balance Sheet of Freedom and, still later, the Annual Survey of the Progress of Freedom. This program was expanded in the ...
