Skills of effective study Making study-notes Group Discussion How to concentrate Developing interest in study Making preparation for exam Test Taking Strategies How to relieve Exam stress?Future Perfect Tense is used to express an action which, the speaker assumes, will have completed or occurred in the future. It gives a sense of completion of a task that will happen in the future.We make the Future Continuous with the auxiliary verbs WILL and BE. The structure is subject + WILL + BE + main verb -ING. We use the Future Continuous to express action at a particular moment in the future (eg I will be working at 10am tomorrow).The present continuous tense is a frequently used tense in the English language. In this lesson, we will go over the definition of the tense as well as how it is used in everyday speech. 2017-05-11
