

Download How Did They Manage

Re: did you manage/did you managed Googling something is a way to get a good idea of what might be right or wrong but it can be confusing as you can find many examples of incorrect language on Google. Jump to content ... Log in | Register SAM ALLARDYCE and Harry Redknapp go head-to-head tonight as they each manage a side for Soccer Aid 2019 - but how old are the football legends and what teams have they managed outside of the ... Answering your question: how did you manage the floor problem. Because it's a question type sentence "how" ,so we put the auxiliary in front of the the subject. "Did you" And because the event is passed and so you refer to the past which is "did" If it is just a sentence without question would be : you did manage the floor problem.
