

Download If You Think You Have An Eating Disorder

Warning: May be triggering for those with sensitivity regarding eating issues, food or eating disorders. Actual numbers are not used nor are diet tips but you know what you need right now – please take gentle care of yourself today. Could you have an eating disorder? If you haven't had reason to know much about eating disorders previously, it may be that your understanding of them is based on the way they're shown in the media, for example. The Right Treatment Facility. At Casa Palmera, our goal is to aid you in a comprehensive spiritual, physical, and emotional recovery. We offer treatment not only for eating disorders such as anorexia nervosa, bulimia, and binge eating, but also for chemical dependencies such as cocaine addiction, drug addiction and alcoholism. Do you have a husband, wife, boyfriend, girlfriend, son, daughter, best friend, or roommate who has some difficult food issues? Maybe they don't eat all day – or you never see them eat, but then a whole jar of peanut butter seems to disappear.
