The American bison and the European bison (wisent) are the largest surviving terrestrial animals in North America and Europe. They are typical artiodactyl (cloven hooved) ungulates, and are similar in appearance to other bovines such as cattle and true buffalo. Read.gov presents a sampling of suggested books that will spark the imagination and transport readers to new and exciting places. Look for these books in your local library. The Battle of Little Robe Creek, also called the Battle of Antelope Hills, took place on May 12, 1858. It actually was a series of three distinct encounters that took place on a single day, between the Comanches on the one side, and Texas Rangers, militia, and allied Tonkawas attacking them.
