In 1998, in *Working with Emotional Intelligence*, I set out a framework of emotional intelligence (EI) that reflects how an individual's potential for mastering the skills of Self-Awareness, Self-Management, Social Awareness, and Relationship Management translates into on-the-job success. A Word From Our President "Dear Student, In today's fast changing global economy, there is an enormous need for expertise in the field of international business. Process Mining Camp is just five weeks away! Take a look at the speakers and workshops and get your ticket here. While we are all waiting for camp day to roll around, we are releasing the videos from last year's camp. Inclusion in Action: Student Services. To begin a different conversation for inclusion, in our initial project, we choose the student service interaction as a focus for intervention, study and the container for the conversation of inclusion (and exclusion).
