

Download London Street Atlas Small

Liverpool Street station, also known as London Liverpool Street, is a central London railway terminus and connected London Underground station in the north-eastern corner of the City of London, in the ward of Bishopsgate. During the 19th century, London was transformed into the world's largest city and capital of the British Empire. Its population expanded from 1 million in 1801 to 6.2 million a century later (1.8% average annual growth). TrialBalance LTD is a UK registered company that specialises in building financial management solutions for Small and Medium sized Enterprises (SMEs). London boroughs map The 32 boroughs of Greater London – plus the City of London. The present boroughs of London were consti-tuted in 1965. Since then there have been many minor boundary changes, of which the most signi-ficant were the transfer of Farleigh back to Surrey in 1969 and Barnet's later loss of the hamlet of Kitt's End to the ...
