

Download Look Good, Feel Good

National Volunteer Week gives us an opportunity to pause, honor and celebrate volunteerism, and the value it brings to so many individuals and organizations across our country. Look Good Feel Better (LGFB) is the only international cancer support charity that helps boost the physical and emotional wellbeing of people undergoing cancer treatment. Look Good Feel Better is a free, public service support program that helps people with cancer deal with the appearance side effects of cancer treatment. Look Good Feel Better is dedicated to teaching cancer patients how to manage the appearance-related side-effects caused by cancer treatment. Women, men and teens participate in a practical workshop which covers skincare, make-up and headwear demonstrations, leaving them empowered and ready to face their cancer with diagnosis with confidence.
