What is Love and Respect? We believe love best motivates a woman and respect most powerfully motivates a man. Research reveals that during marital conflict a husband most often reacts unlovingly when feeling disrespected, and a wife reacts disrespectfully when feeling unloved. The very biology of the human body reveals it is natural for a man and a woman to fall in love and marry. Excited yet burdened about male and female relationships, EMERSON EGGERICHS launched the Love and Respect Conferences in August 1999. Emerson was the senior pastor of East Lansing's thriving Trinity Church before devoting himself full-time to building healthy marriages. Respect is sometimes misunderstood and taken for granted by most people even though it is one of the most important characters that we must practice to ourselves and to other people.
