

Download Minding Your Own Business : Survival Strategies For Starting Up On Your Own

Learning to mind your own business takes time! Start by setting yourself a small goal, such as walking away from one private conversation that you really want to butt in on. Once you've done that, keep building up to bigger challenges. Minding your own business doesn't mean you need to stop talking; it just means that you need to be mindful of when and how you're talking.
