In this post, we have a great collection of some personalized shelving projects for your home that won't break the bank. DIY Floating Shelves are perfect for any room! Grab the FREE PLANS and see the Step by Step Tutorial with a complete list of materials needed! DIY Farmhouse Pantry Shelves Y'all, I am so excited to show off my new Farmhouse Pantry Shelves. They are beautiful thick cut cedar boards with hand forged brackets. Make better use of unreachable cabinet space. Tight corners, high shelves and deep cabinets often be difficult to reach, stopping us from making the best use of the storage we already have in our kitchens.
