Lyrics to "Don't Cry Daddy" song by Elvis Presley: Today I stumbled from my bed With thunder crashing in my head My pillow still wet From last night te... There is a picture of me, somewhere out there, probably still on my dad's phone unless they've turned into Christmas Card people, in which case, the picture is most definitely out there in the world for all to see. Im officially moved into the new place now, after a road trip across America all the way from Philly to LA, I got set up on Monday and got internet installed yesterday. Its great to be back in action, sorry about my brief absence, you can expect things to go back to how they used to be, regular
