

# Download Monster & Other Stories

Monster Hunter Stories Discussion When a monster strikes, the fearful hide, but the brave? They ride. Venture into monster nests to collect eggs and hatch a wide array of species with uniquely powerful skills. Form teams, battle alongside them, crush opponents with combo attacks, and ride into...This category deals with erotic fiction featuring sexual encounters between humans and 'monsters'. From the traditionally Japanese sub-genre fetish of tentacle sex, to more contemporary styles involving dinosaurs, mermen, Bigfoot, werewolves, and so on, let your imagination fly and share your weirdest most quirky monster stories. This site is free (most of it), and includes dozens of complete stories. The newest, some of which are in development and growing every week, will be available only for supporters with the help of the site Patreon. Monster Phonics has made such a difference to our children. The main thing we found is that they absolutely love learning phonics now. They are obsessed with the monsters and even choose to play monster phonics in the playground.
