

Download Never Hit A Porcupine

Porcupine is the third studio album by the English post-punk band Echo & the Bunnymen. First released on 4 February 1983, it became the band's highest charting release when it reached number two on the UK Albums Chart despite initially receiving poor reviews. In the early 1980's I got tired of the tower being hit by lightning so often. My long time friend, Dale Heatherington - WA4DSY, and I decided to apply a little physics and try to discharge the static as it built up to reduce the likelihood of lightning strike. Porcupine Mountains Wilderness State Park. Porcupine Mountains Wilderness State Park is 15 miles west of Ontonagon in Michigan's Upper Peninsula. No, these meatballs are NOT made with porcupine meat, although the kids will probably joke about! The instructions do not begin with, "first, catch a porcupine...."
