

# Download New Zealand Mysteries

UNEXPLAINED MYSTERIES. The world is full of unexplained events, strange mysteries, and mysterious legends. Cool interesting stuff features everything odd, weird, bizzare, strange or unusual. We might as well get this out of the way first, but interestingly enough New Zealand apparently has its own version of Bigfoot. Called by such varied names as the Moehau, Maero, Matau, Tuuhourangi, Taongina, or Rapuwai, this mysterious creature has been spoken of by the native M?ori people since time unremembered. The Brokenwood Mysteries is a New Zealand detective, drama television series that premiered on Prime in 2014. The programme is set in the fictitious New Zealand town of Brokenwood and was filmed in the greater Auckland region. Tim Balme conceived the series and is lead writer with Philip Dalkin, James Griffin and Greg McGee. In December 2014 ...If you're a fan of the hugely popular New Zealand detective drama, The Brokenwood Mysteries, then you will want to read this post. Launched on Prime in 2014, The Brokenwood Mysteries is now in its fourth season and is one of New Zealand's most popular detective dramas.
