Death Warmed Up is a 1984 Australia / New Zealand Sci-Fi horror by David Blyth. Starring Michael Hurst, Margaret Umbers and William Upjohn. Originally cut for Australian Theatrical release and this version seems to have then been distributed worldwide. Gerhart Johann Robert Hauptmann (15 November 1862 – 6 June 1946) was a German dramatist and novelist. He is counted among the most important promoters of literary naturalism, though he integrated other styles into his work as well.
