

Download Online Marketing For Busy Authors A Step By Step Guide

Subscribe to the Single Grain blog now for the latest content on SEO, PPC, paid social, and the future of online marketing. According to Content Marketing Institute, the brain seems to believe odd numbers more than even numbers. Odd numbers also seem to help people digest and recall information more easily. Step 1: Understand the Value of Timing. Marketing success comes from reaching the right customers at just the right time in their decision-making process. I share tips, tools and tutorials for blogging, making money online, productivity and social media.
