This list provides a guide to opera composers, as determined by their presence on a majority of compiled lists of significant opera composers. (See the "Lists Consulted" section for full details.) The operas listed cover all important genres, and include all operas regularly performed today, from seventeenth-century works by Monteverdi, Cavalli, and Purcell to late twentieth-century operas by Messiaen, Berio, Glass, Adams, Birtwistle, and Weir. Opera (z italského opera in musica, hudební dílo) je umělecká forma spojující dramatické divadelní představení s hudbou tak, že herci text zcela či zčásti zpívají za instrumentálního doprovodu. İlk temsil tarihi 1600: Euridice: Jacopo Peri: Zamanın göreneklerine aykırı olarak, bir orkestra tarafından refakat edilen tek solo sesli 7arklarla dolu, temsil stili ad? verilen 7ekilde hazırlanmış ilk opera eseri oldu?u kabul edilmektedir.
