Anthropology Courses at Ashford University. Humanity is defined by the cultural systems that have shaped its past. These courses, the core of Ashford University's Bachelor of Arts in Cultural Anthropology program, will examine how cultural behaviors, belief systems, gender, language, and other factors have transformed societies throughout the ...The African National Congress was formed in 1912 as a result of many grievances. This included black dissatisfaction with the South Africa Act of 1910 that established the Union of South Africa, their treatment after the South African War and numerous laws that controlled and restricted black movement and labour. The Mexican–American War, also known in the United States as the Mexican War and in Mexico as the American intervention in Mexico, was an armed conflict between the United States of America and the United Mexican States from 1846 to 1848. Spy fiction has invariably proved to be an accurate barometer of political anxieties, at times even a potent fomentor of public paranoia in its own right, and it owes this uncanny ability to its origins in the political pulp fiction of the late nineteenth century.
