

# Download Sample Dance Progress Report

This program has been specially developed for children aged 3-5 years, introducing them to the magic and fun of mime, music and dance. Your child has the chance to sample ballet, jazz and tap. As part of Maryland's accountability system under the Every Student Succeeds Act (ESSA), schools and school systems across the state are now measured under a new metric called the Maryland Report Card. Welcome to your career report! There's a lot of information here, so take your time and read through it at your own pace. Your report is split up into different sections, each of which addresses a different factor in your career search. If you are not the person who usually writes complaints, you can use this letter of complaint sample to help you deal with the issue you are facing.
