

Download Trading For Dummies 2nd Revised Edition

The only guide to accounting tailor-made for Canadians, now revised and updated. Job prospects are good for those looking to enter the Canadian accounting industry, and Accounting For Canadians, Second Edition is the essential resource for anyone interested in doing so. A primer about value investing (P/E and PSR ratios, book value, cash flow, dividends, and so on) and adding market timing to a buy-and-hold strategy using position trading. Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. This book can be viewed as a summary of 'Security Analysis', another of the authors famous books which is generally considered to be the more hard-core text book version on the subject of investing and stock analysis.
