

Download What Everyone Should Know About Homosexuality

I've worked up a good lather in the so-called "culture war" around homosexuality and same-sex marriage for about two decades now. And I'm just as committed to the Christian view on sexuality as I am to engaging the issue in spirited and civil debate.⁴ *Machinal* by Sophie Treadwell 1928 Based on the real-life figure Ruth Snyder, Sophie Treadwell's *Machinal* tells the story of a young stenographer victimized by society's expectations of women. When we talk about the belly, gut, or bowels, what we're really talking about are the intestines—long, hollow, coiled tubes that comprise a major part of the digestive tract, running from the ... We have Milo Yiannopoulos to thank that everyone all of a sudden cares about pederasty, even those who have never commented on it before. We can now expect an awakened pundit and policy class to notice one of the serious problems in the homosexual world.
