

Download World History Test 90 Questions

AP's high school World History course is a rigorous, college-level class that provides an opportunity to gain the skills and experience colleges recognize. To help applicants study American government and history, the USCIS published new 100 Civics questions and answers in 2008. These new 100 Civics questions are considered more difficult than the old citizenship questions. For every correct answer you choose, 10 grains of rice are raised to help end world hunger through the World Food Programme.
